向善向上

2

Towards Kindness,
Towards Betterment 2

序

沒有沒有用的人

舉凡是人，大致上都不喜被冠上三個字。哪三個字？即「沒有用」也。

其實啊！吾，玳瑁師父，學佛開啟了智慧後，妙觀這世間眾生，都有她他們一定的用處，根本就沒有沒有用的人。唯存的是，妳你或她他，到底有沒有盡心盡力、全力以赴的去完成每一件事兒。若答案是有的話，那妳你與她他又怎能歸類於「沒有用的人」呢？

當然！若妳你不介意被冠上「沒有用」這三個字的話，那就請便。不過吾還是勸妳你，三思再三思。因為，妳你未來的後代，肯定會出現沒有用的子女哦！到時妳你拼命叫，或教她他有用，很難很難會如妳你所願。為什麼？因果也。

記住玳瑁師父的話，根本就沒有沒有用的人，而是妳你到底有沒有發揮妳你最大的潛能。大家一起來做個最有用的人，造福自己，造福一切眾生，圓滿我們這一生。

善書多閱，好運增上。

Foreword

There Ain't No Useless Person

Most people usually will not like to be labelled this word. Which word is that? The word - Useless.

Actually, after increased wisdom from learning the Dharma, I have observed that every sentient being in this world has his or her own strengths to contribute. Therefore, there is no such thing as a totally useless person. Rather, it is a question of diligence and sincerity, and whether he or she gives his/her best effort to complete a task. If these qualities are exemplified in abundance, how can you fall into the category of a useless person?

Of course, if you do not mind being labelled as such, then please go ahead by all means. However, I will advise you to reconsider such notion because your descendants will surely take after you and your uselessness! When this happens, it is futile even if you shout with all your might, or exhaust your entire life to right the wrong. Why? Karmic retribution.

Do remember these words from Master Dai Hu. There is no useless person, only one who has yet to uncover the greatest potential in him or her. Let us do our part and be a useful person, to create benefits for ourselves and all sentient beings, accomplishing the very essence of our life here on Earth.

Read more virtuous books and watch your good fortune soar.

純真的愛 Pure Love

師父，這麼早就來
公園散步啊！

Master, you are early
at the park!

是啊！
Yes, I am!

啊？分手？

WHAT?
BREAK UP?

你是認真的嗎？
Are you serious?

我不要！

I DON'T WANT!

你怎麼可以跟我分手呢！

How can you break up
with me?

為什麼？
Why?

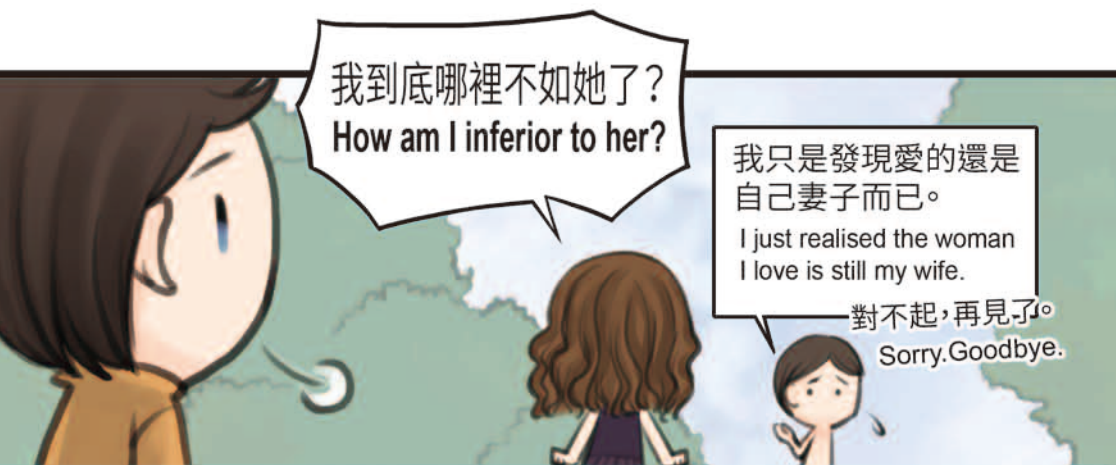

我醒悟了。

I have come to
my senses.

我要回到妻子的
身邊。

I want to go back to
my wife's side.

原諒我...
Forgive me...

可是...
But...

您看他那個樣子!
look at his attitude!

當初你們親密時,難道
他有拿槍逼妳嗎?

When you shared intimate
moments, did he use a gun
to force you?

怎麼現在妳就變成母夜叉,
還請人幫妳下降頭呢?

Why do you turn into an evil
demoness now, wanting to hire
a sorcerer to cast malevolent
spells onto him?

我愛他啊!
I love him!

他怎麼可以這樣對我?
How can he treat me
like this?

那根本不是愛,
是恨。

That is not love at all.
It's hatred.

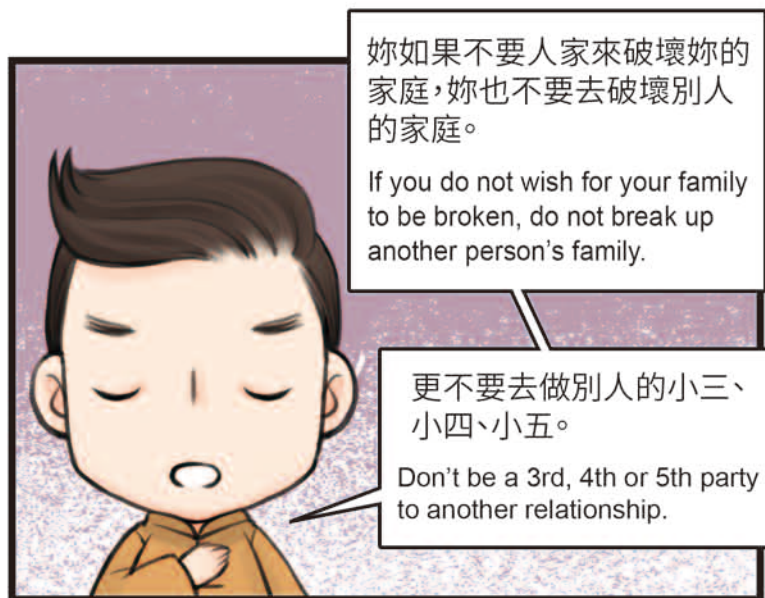

妳跟有婦之夫在一起,本來就是
錯。孔子說:「己所不欲,勿施
於人。」

You were wrong in the first place to
start a relationship with a married
man.

Confucius said, "One should not
impose on others what he himself
does not desire."

妳的愛真的是愛嗎？
Is your love truly love?

我...
I...

妳這個舉動，會害了
多少人？
下一世妳都得償還。

How many people will be
harmed by your action?
You will have to pay your
dues in your next life.

我們做什麼都瞞不過
天地，鬼神是無所不
在的。

Our actions can never be
hidden from the Heaven
and Earth, for gods and
ghosts are omnipresent.

現在妳害他，未來他也找人
來對付妳，這樣冤冤相報何
時了？

Now you inflict harm on him.
In future, he too seeks help to get
back at you. When is this vicious
cycle of revenge going to end?

更何況妳執意去做的話，
未來妳還會下地獄。

If you persist stubbornly,
you will go to hell in future.

彼此互相傷害，這就是妳
想要的愛嗎？

Both parties hurting each other,
is this the kind of love you are
after?

不，並不是…
我不會這麼做了。

No, it's not...
I will not do it anymore.

真正愛一個人，絕對不是
為了要對方回頭就想盡
辦法傷害他。

When you truly love a person,
you will not think of all ways to
inflict hurt on him, just to get
him back.

做不到真心祝福對方沒關
係，希望別人對妳專一的
話，妳要先能夠對人專一。

It's okay if you are unable to
give him your blessings.
When you wish for your partner
to be faithful, you must first do
your part to be a loyal partner.

所以，妳要把妳的故事告訴
別人，提醒大家千萬不要走
妳的路。

Hence, you must share your
story and warn others against
going down your path.

這是一個「大善」！

This is a great virtuous
act!

好。
Okay.

有首詩：
爲思佳偶情如火，
索盡枯腸夜不眠；
自古姻緣皆分定，
紅絲豈是他人牽。

A poem goes:

The heart is ablaze as you pine for your perfect mate

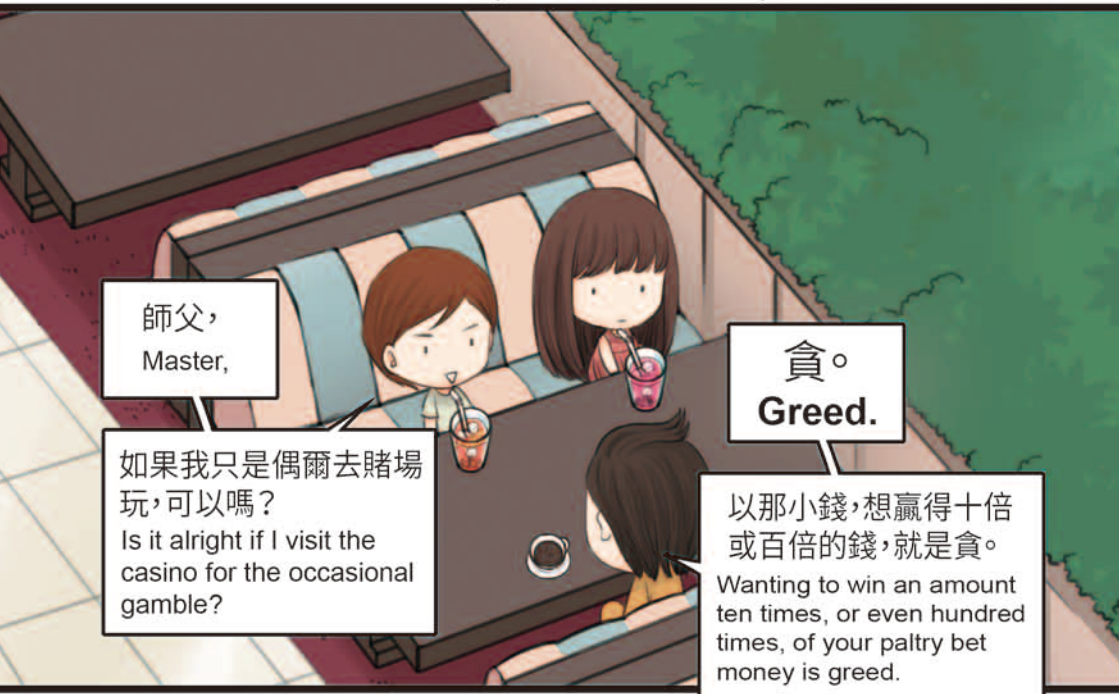

The endless thinking causes sleepless nights

All matches are predestined since the beginning of time.

Since when is the red thread ever strung by Man.

純真的愛 Pure Love 完

有些人命中本來就有那個運，
是他們前世行善的福報。

Some people have such luck in their destinies because of the fortune they accumulated through doing virtuous deeds in their past lives.

福報？
Fortune?

是的，只要師父輕輕點撥他們，就能獲得那筆財，

That's right. All it takes is for an accomplished master to gently point the way, and they will realize that fortune.

他們要推也推不掉的。

They can't push it away even if they do not want it.

哇——
我好羨慕…
Wow!
I'm so envious...

而吾所做的，是先以欲勾之，
再入佛智，引他們走上聖道。

What I'm doing is: use their desire for wealth as a bait, to guide them through the door of the Dharma, and subsequently onto the path of Buddhahood.

吾還會提醒，要把至少10%
的獎金捐給慈善機構。

I always remind them to donate at least 10% of the winnings to charity organizations.

循環那個因果，畢竟這獎金
也是眾生的錢。

so that this good fortune is kept in
circulation. After all, these winnings
are money from the sentient beings.

師父，我也有那樣
的福報嗎？

Master, do I have such
fortune too?

財神是喜愛大方慷慨的人，

The God of Wealth only loves
generous people!

吾怎麼看你，都沒有
那個偏財運。

No matter how I look at
you, I do not see any
windfall luck on you.

為什麼？
我很大方啊！
Why?
I'm very generous!

哈哈！
Ha ha ha!

哪有啊，
No,

我有嗎?
Am I?

你很吝嗇耶。
You're very stingy.

你和師父認識很久
了不是嗎?
You have known
Master for a long time,
haven't you?

我看你又常常麻煩師父，
還問東問西的，

I see that you often trouble
Master with all sorts of
questions,

你連一杯飲料都不捨得
請師父喝，

You aren't even willing to spend
money and buy Master a drink.

怎麼會有財神眷顧你
呢?

How do you expect the God
of Wealth to favour you?

呃...
Er...

哈哈!! Haha!

身邊的人最清楚自己是怎樣的個性了！

The people around us will know our character best!

吾再提點你，不要把自己的福，在短短的時間內享用完喔！

Let me remind you, do not exhaust all your fortune in a short period of time!

是...
Yes...

吾看過很多人的命，
I have seen the destinies of many people.

不要以為小時候父母一直給錢是好的。

Don't assume that it is a good thing when your parents keep giving you money since young.

長大後可是很辛苦，因為自己沒有自力更生的能力，
For you may grow up and suffer, as you lack the ability to stand on your own feet,

然後就到處佔人便宜。
and leech on the fortune of other people wherever you go.

前些日子，有位年輕人
與吾共乘的士。

Some time ago, I shared a
taxi with a young man.

年輕人，你的車資沒給
我。

Young man, you have yet
to pay your taxi fare.

RUN.
跑。

下車後，他未主動還吾他
那一份車資，就回家了。

After getting off the taxi, he
did not initiate to pay for his
share of the fare and went
home.

吾沒說要請他呀！

I did not say I would
pay for him!

那年輕人用了未來錢，

That young man has used
his future wealth,

用了很多人家的福，又不懂
得及時補福。

and the fortune of other people,
with no knowledge on how to
replenish his fortune in time.

要知道，人不能夠
去佔別人的便宜。

We must know not to
take advantage of
others.

還一直叫人請自己，
更為自己免費做事。

Nor should we ask others
for treats, or work for us
for free.

人，為什麼會命不好？

Why does a person have
a wretched destiny?

因為一直都在佔別人的
便宜。

Because he is always taking
advantage of other people.

不要這樣！
Don't do this!

因為自己在享別人的福，
Because when you enjoy the
fortune of other people，

而自己的福就會一直被
扣掉，一直都在賒帳。

Your own fortune is constantly
shaved off, chalking up debts
of fortune from the people
you fleeced.

本來下一世可以轉貧
為富，

You are to be a wealthy
person in your next life.

但反而卻淪落到要
去向別人乞討。

But alas, you fall into
poverty and end up
as a beggar instead.

不要佔別人的便宜。

Do not take advantage
of others.

自己佔到了，自己的
名聲也會臭。

Your reputation will stink
even if you manage to do
that.

嗯！

Yes!

人家見到自己也會閃遠遠的，因為自己一直對人不好。

People will avoid you like a plague, all because you have been mean to them.

到了最後會發現，只有自己孤單一人。

In the end, you will realize that you are all alone.

要記得，地方的骯髒，不是來之於外表的骯髒，

Remember this, the filth of a place does not come from the physical environment,

而是人心的骯髒。

But from the muck in the hearts of the people there.

自己有錢自己買，也要願意施捨給他人，這樣才是不折不扣的大福之人。

Buy your own stuff with your own money. At the same time, have the heart to give to others. This is what truly defines a man of great fortune.
